## **ARTICLE 4 – PURPOSE AND APPLICATION OF TRUST FUND**

- 4.1 **Purpose.** The Trust is established for the sole purpose of providing Benefits to the Beneficiaries.

- 4.2 **Employee Life and Health Trust.** The Trustees shall administer the Fund and the Plans as an employee life and health trust in compliance with s.144.1 of the *Income Tax Act* (Canada) as amended.
- 4.3 **Rights or Interest.** Neither the Parties hereto, nor any Participating Employer, Beneficiary, or any other person, association, firm or corporation, shall have any right, title or interest in or to the assets of the Fund or any Separate Account, except as specifically provided by this Trust Agreement or a Plan and as may be permitted by Applicable Law; provided however that nothing in the Trust Agreement shall prevent a Contribution, made by a Participating Employer, Participating Employee, or Retired Employee by mistake of fact, from being returned by the Trustees to such person.

- 4.5 **No Diversion.** Except as otherwise provided herein, at no time prior to the termination and wind-up of the Fund shall any part of the corpus or income of the Fund, including the Separate Accounts, be used for or diverted to purposes other than the provision of Benefits for the exclusive benefit of Beneficiaries, and in connection therewith the payment of reasonable costs of establishment, amendment and administration of the Trust and Plans and the investment of the Fund including the compensation of the Trustees payable in accordance with the terms of this Agreement and all other

disbursements reasonably made and expenses incurred in the performance of the duties of the Trustees hereunder or arising out of the Trust.

4.6 **No Guarantee.** Nothing contained in the Trust or a Plan shall constitute a guarantee that the assets of the Fund or of any Separate Account will be sufficient to pay any Benefits offered from time to time under a Plan to any person throughout his or her lifetime or make any other payment. The obligation of the Trustees to pay Benefits provided under a Plan is expressly conditioned on the sufficiency, in their judgment, of the assets and expected income and Contributions allocated and to be allocated in the future to Fund, or to the Separate Account maintained in respect of such Plan, as the case may be.

4.7 **Binding Effect.** It is hereby agreed that the Trust Agreement is binding on the Crown, OPSBA, OCSTA, ACÉPO, AFOCSC and OSBCU\CUPE, the Participating Employers, and all Beneficiaries and their respective heirs, executors, administrators, successors and assigns and, in this regard, OPSBA, OCSTA, ACÉPO and AFOCSC each warrant and represent that they have the authority to bind the School Boards set out in Schedules "A", "B", "C" and "D" (and their successors), as applicable, with respect to Participating Employees who are covered by the Central Collective Agreement.

## **ARTICLE 5 – ESTABLISHMENT AND AMENDMENT OF PLANS**

The CUPE EWBT Plan shall define the Eligibility Requirements, the Benefits to be provided to Participating Employees covered by the Central Collective Agreement and their eligible beneficiaries and such other Participating Employees and their eligible beneficiaries as are covered by a Participation Agreement that requires their participation in the CUPE EWBT Plan.

5.2 **Amendment of the CUPE EWBT Plan by the Trustees.** Subject always to the requirements of the Funding Policy and the Central Collective Agreement and to the requirements of this Agreement and this s. 5.2, and provided that the Trustees may not make any change, modification or alteration that could reasonably be expected to cause the Trust to cease to qualify as an "employee life and health trust" under s. 144.1 of the *Income Tax Act* (Canada), the Trustees may change, modify, or otherwise alter the CUPE EWBT Plan, in their sole and absolute discretion (including by way of changing,

enhancing, reducing or eliminating any benefit or term or condition of eligibility and coverage for a Benefit) and may provide for different Employee Contributions for different groups of Participating Employees. Any change, modification or alteration to the CUPE EWBT Plan may take effect retroactively or otherwise, provided that Benefits, once paid, may not be reclaimed. With the consent of CUPE, the Trustees may amend the CUPE EWBT Plan to provide different Benefits for different groups of Participating Employees, including, without limitation, different groups of Participating Employees with the same Participating Employer.

**5.3 Amendment of the CUPE EWBT Plan by the Parties.** The Parties may amend the CUPE EWBT Plan to provide other employee benefit programs if such other employee benefit programs are negotiated in a central collective agreement.

**5.4 Establishment and Amendment of Other Plans.** The Trustees may, subject to s. 12.3, establish one or more Benefit Plans in respect of some or all Participating Employees not covered by the Central Collective Agreement who participate in the CUPE EWBT pursuant to one or more Participation Agreements. The Trustees shall establish, for each such Plan, a corresponding Separate Account. The Trustees may change, modify, reduce, increase or otherwise alter such other Plan or Plans, in their absolute and unfettered discretion, to align, as much as possible, the assets in and Contributions to the Separate Account with the Benefits and liabilities of the Plan associated with the Separate Account. Any such alteration may take effect retroactively or otherwise, provided that Benefits, once paid, may not be reclaimed.

**5.5 Establishment and Amendment of Retired Employee Plans.**

(a) The Trustees shall establish the CUPE Retired Employee Plan and may establish one or more other Retired Employee Plans. Retired Employees shall not participate in the CUPE EWBT Plan. The assets in each Separate Account shall be, for the purposes of this Agreement and for all other purposes, held as segregated funds and used for the provision of Benefits, in accordance with the terms of a Plan, to a discrete and identifiable group of Participating Employees, in accordance with the requirements of one or more Participation Agreements. Under no circumstances shall the assets in a Separate Account be used other than to provide Benefits and fund reserves related to the discrete and identifiable group of Participating Employees for whom the Separate Account is maintained. Notwithstanding the foregoing, the assets of a Separate Account may be used to pay administrative and investment costs incurred by the Trustees with respect to the Fund and the Plans generally, and may be commingled with the assets of other Separate Accounts for such purpose, to the extent that such costs are reasonably determined by the Trustees to relate, in whole or in part, to the Separate Account and the Participating Employees whose Benefits are provided through the Separate Account. For further clarity, the Trustees shall establish a CUPE EWBT Plan Separate Account, in respect of the CUPE EWBT Benefit Plan, and a CUPE Retired Employee Separate Account in respect of the CUPE Retired Employee Plan, as Separate Accounts for the purposes of this Agreement. Further, each Separate Account shall be maintained for so long as there remain assets credited thereto.
- 6.2 **Pooled Investment.** Notwithstanding s. 6.1, assets credited to the Trust and to each Separate Account may be pooled for investment purposes, provided that, except as provided in s. 6.1 with respect to the payment of administrative and investment costs, under no circumstances may the assets credited to a Separate Account be available to meet the liabilities of or to subsidize the liabilities of, or defray the expenses attributable to another Separate Account. For greater clarity, costs associated with the investment of assets that have been pooled pursuant to this s. 6.2 may be payable from the pooled funds, but shall be allocated on a reasonable basis by the Trustees to the Separate Accounts from which such pooled funds derive.

## **ARTICLE 7 – PARTICIPATING EMPLOYER OBLIGATIONS**

7.1 **Participation Agreement.** Each Participating Employer within the meaning of s.1(ii)(ii) shall execute a Participation Agreement in a form acceptable to the Trustees. Payment by a Participating Employer of Employer Contributions in accordance with the directions of the Trustees shall discharge the Employer of any obligations with respect to the payment or application of such Employer Contributions except as otherwise provided herein, or in the Central Collective Agreement where applicable;
- (b) The Participating Employers' absolute obligation to make Employer Contributions to the Fund shall not be subject to any set-off or counter-claim that a Participating Employer may have for any liability of any Beneficiary.

- (b) Prior to the strike or lockout, the collective bargaining agent shall identify to the Trustees the Participating Employees who will be eligible for strike pay and the Trustees shall advise the collective bargaining agent of the amount in lieu of Participating Employer and Participating Employee Contributions that would otherwise be made during the strike or lockout, and the collective bargaining agent shall, subject to its own constitution and by-laws (in the case of OSBCU\CUPE, the CUPE Constitution and National Strike Fund Regulations, as amended from time to time), pay such Contributions to the Trustees in the manner and at the times required by the Trustees;

(e) All information exchanged between the Trustees and the collective bargaining agent pursuant to this section shall be maintained in the strictest confidence by both parties. Under no circumstances shall such information be disclosed to any third party except with the consent of the collective bargaining agent and the Trustees;

7.4 **Non-Payment by One Contributor.** Non-payment by any one required to make Contributions to the Fund shall not relieve any other person of his or her obligations to make such Contributions hereunder.

7.5 **Provision of Data.** Each Participating Employer shall provide to the Trustees, or, at the Trustees' direction, to the Administrative Agent, the data set out in Schedule "F" as well as any additional data required by a Participation Agreement to which the Participating Employer is a party in the manner and in the formats and at the time or times required by Schedule "F" or the Participation Agreement. Schedule "F" and the Participation Agreement shall also specify the consequences, if any, in the event that a Participating Employer does not comply with its requirements. For greater certainty, such consequences may include a requirement for the Participating Employer to cover actual costs incurred by the Trustees or the Administrative Agent as a result of the Participating Employer's failure to comply within a reasonable time with the data requirements of the Trustees or the Administrative Agent but shall not, without the agreement of the Parties, include an obligation to pay penalties. The Trustees may amend Schedule "F" from time to time on at least thirty (30) days, or such greater number of days as the Trustees may determine, advance written notice to CTA/CAE and the affected Participating Employers, but may not impose consequences on a Participating Employer except as provided in this s. 7.5.

7.6 **Obligation to Furnish Additional Information.** Each Participating Employer will, within thirty (30) days, or such greater number of days as the Trustees may determine, of a request from the Trustees or their Administrative Agent, and on an ongoing basis, provide the Trustees or their designates with such reports, payroll records, timesheets and accounting information and other data as the Trustees may reasonably require for the proper administration of the Trust and the applicable Plan, including, but not limited to, the determination of eligibility to participate in a Plan, changes in status of Participating Employees, and the determination of the Benefits to be provided under a Plan.

7.7 **Audits.** Each Participating Employer agrees that, upon the written demand of the Trustees, it shall permit a chartered professional accountant acting on the Trustees' behalf, or in accordance with their instructions, to:

- (a) enter upon that Participating Employer's premises at any reasonable time or times, upon giving thirty (30) days written notice, for the purpose of carrying out an inspection, audit or examination of the books of account, documents, payrolls, records, and other materials relating directly to a Benefit Plan under which current or former employees of the Participating Employer participate or participated, or the obligations of the Participating Employer with respect to the Trust under this Agreement, a Benefit Plan or a Participation Agreement; and,
- (b) make inquiries of the Participating Employer or any persons employed or otherwise engaged by a Participating Employer, solely in respect of matters that may be the subject of such an inspection, audit or examination under s. 7.7(a), which persons shall cooperate and will produce all books of account, documents, payrolls, records, or any other material which are relevant to the said inspection, audit or examination;

for the purpose of ensuring that the Participating Employer has been complying with the terms and conditions of a Participation Agreement, this Agreement and any applicable Plan including, and without limiting the generality of the foregoing, complying with its obligations to make Contributions to the Fund. It is agreed that the chartered professional accountant shall not reveal any of the information or documents reviewed or obtained to the Trustees or any other person, unless such inspection, audit or examination reveals that a Participating Employer has failed to carry out its obligations under a Participation Agreement, a Plan or this Agreement, in which case the results of the audit shall be disclosed to the Trustees and the Participating Employer. The costs of the chartered professional accountant related to any such inspection, audit or examination shall be borne by the Fund unless it reveals a material breach by the Participating Employer of its obligations.

7.8 **Errors and Omissions.** Participating Employer errors and retroactive adjustments shall be the responsibility of the Participating Employer. If an error is identified by a Participating

Employer, notification must be made to the Trustees within seven (7) days of identification of the error.

**7.9 Claims Support.**

- (a) A Participating Employer shall complete and submit the Waiver of Life Insurance Premium Statement to the Trustees for life waiver claims;
- (b) Each Participating Employer shall provide to the Trustees, within 30 days of their Participation Date, all beneficiary designations on behalf of Participating Employees current and in their possession as of the Participating Employer's Participation Date;
- (c) Participating Employees shall be responsible for updating their beneficiary declarations in accordance with the procedures established by the Administrative Agent.

**7.10 Grace Period.** The Trustees are authorized to establish a reasonable and lawful grace period by which Contributions must be received.

**ARTICLE 8 – ENFORCEMENT**

**8.1 Interest.** Whenever and so often as a Participating Employer fails to pay or remit Contributions on or before the date upon which such Contributions were due (subject to any grace period established pursuant to s. 7.10) to be paid, such Participating Employer will also pay, as liquidated damages to the Trust, interest at two (2) percentage points above the Prime Rate from the date the Contributions were due to be paid until the actual date of payment thereof both before and after judgment (if any) and the Trustees shall not seek any higher rate of interest in any proceeding against the Participating Employer as liquidated damages or otherwise.

**8.2 Enforcement.** Whenever and so often as a Participating Employer fails to pay Contributions required to be paid under this Agreement (subject to any grace period established pursuant to s. 7.10) following a written demand for payment from the Trustees containing such detail as a Participating Employer would reasonably require in order to know the amount and circumstances of the alleged default in payment, the Trustees have the right to commence and prosecute legal action in the names of the Trustees against the

defaulting Participating Employer for the recovery and payment of the amount of such Contributions accrued due and payable at the date of the commencement of such action, including for interest as provided in s. 8.1 accruing from the date the Contributions were due (subject to any grace period established pursuant to s. 7.10). The amount of such overdue Contributions and interest, will, for all purposes, be deemed to be held in trust by the Participating Employer for the Trustees. The Trustees may also claim such further and other relief whether with respect to future payments of Contributions or otherwise as may be available to the Trustees. Participating Employers that fail to pay Contributions are also liable for, and shall pay to the Fund, all legal fees and disbursements for the collection of Contributions, reasonably incurred, on a full indemnity basis. All costs incurred by the Trustees in relation to delinquent Contributions shall be charged to the Separate Account, if any, to which such Contributions relate.

- 8.3 **Nature of Right of Action.** The right of action hereby conferred upon the Trustees will be in addition to and independent of any other procedure or remedy which may be available to the Trustees. No Participating Employer shall be entitled to have such action delayed, stayed or otherwise postponed on the ground that the claim of the Trustees in such action might also be a claim capable of being dealt with by a trade union or Participating Employer under the Central Collective Agreement or other collective agreement.
- 8.4 **Participating Employer Failure to Comply.** In the event that a Participating Employer has failed to carry out its obligations under a Participation Agreement, a Plan or this Agreement, other than obligations to pay Contributions, the Participating Employer shall forthwith, upon written demand from the Trustees:
- (a) complete and remit any information, forms or other related and supporting documents which may be required of the Participating Employer pursuant to the applicable Participation Agreement or Plan, or this Agreement; and
  - (b) pay to the Trustees the reasonable costs, expenses, or losses, incurred by it in connection with or arising out of any inspection, audit or examination or other proceedings or steps taken in respect to any such failure.

## **ARTICLE 9 – PARTICIPATING EMPLOYEE CONTRIBUTIONS**

- 9.1 **Deducting and Remitting Employee Contributions.** If required by the Trustees, a Participating Employer shall deduct from the wages of a Participating Employee in their employ the amount of Employee Contributions that the Participating Employee is required by the Trustees to make, and shall remit such Employee Contributions to the Trustees, on or before the last day of each month, from and after the Participating Employer's Participation Date. The Trustees shall enter into a contractual arrangement with the Administrative Agent that requires the Administrative Agent to consult with Participating Employers to facilitate the collection of Employee Contributions for periods of time that a Participating Employee is not eligible for pay, including seasonal layoffs such as summer breaks, and remit to the Fund in a timely manner and in accordance with the applicable Benefit Plan.
- 9.2 **Calculation of Participating Employee Contributions.** Each Participating Employee shall pay Employee Contributions to the Trustees in such amounts and in such manner as is determined by the Trustees.

## **ARTICLE 10 – TRUSTEES**

- 10.1 **Board of Trustees.** The Board of Trustees of the CUPE EWBT shall consist of nine (9) voting Trustees to be appointed as follows:
- (a) Five (5) Trustees shall be appointed by OSBCU\CUPE (hereinafter referred to as "Employee Trustees");
  - (b) Three (3) Trustees shall be appointed by either CTA/CAE or the Crown, as determined by CTA/CAE and the Crown (hereinafter referred to as "Employer Trustees");
  - (c) One (1) Trustee shall be appointed by CTA/CAE and the Crown, and shall be an Employer Trustee for purposes of this Agreement;
  - (d) The Board of Trustees will include among its members two independent experts, one appointed by OSBCU\CUPE and one appointed by CTA/CAE and the Crown;
  - (e) The appointed independent expert Trustees shall:

- (i) not be currently employed or retained, or have been employed or retained at any time during the one (1) preceding year, by any of the CUPE EWBT, the shared services office supporting the CUPE EWBT, any federation or trade union that represents teachers or education workers, any School Board, School Board Association or the Crown;
- (ii) have no systemic conflict of interest in their role as Trustee such that as a result of the person's employment, or other position, personal relationships or legal or financial interests, the person can reasonably be expected to have ongoing or frequent conflicts of interest acting as Trustee;
- (iii) be accredited from one of the following fields: actuarial science, law, accounting, or hold the Certified Employee Benefit Specialist designation; and
- (iv) have demonstrated experience with employee benefit plans.

10.2 **Term of Office and Succession.** Each Trustee shall be appointed to serve an initial term of three (3) years. Notwithstanding, OSBCU\CUPE and CTA/CAE and the Crown may each determine to appoint one or more of their initial Trustees for a term of fewer than three (3) years. A succession plan will be designed by the Trustees so that the terms of no more than three Trustees expire in any twelve month period. Any Trustee may be reappointed, provided that no person may serve as a Trustee for more than nine (9) years.

10.3 **Qualification of Trustees.** Trustees shall meet the following requirements and complete the Trustee Attestation attached as Schedule "G":

- (a) be an individual;
- (b) be a resident of Canada;
- (c) be at least eighteen years of age;
- (d) not been found under the *Substitute Decisions Act, 1992* or under the *Mental Health Act* to be incapable of managing property, or been found to be incapable by a court in Canada or elsewhere; and
- (e) not be an undischarged bankrupt.

10.4 **Acceptance of Trusts.** Each individual, upon signing and filing with the Trustees an Acceptance of Trust in the form set out in Schedule "H" hereto, is deemed to accept the

trusts created and established by this Agreement, to have consented to act as a Trustee and to have agreed to administer the Fund and Trust as set out herein.

#### 10.5 **Resignation, Removal, Incapacity or Death.**

- (a) **Resignation.** A Trustee may resign by giving notice in writing to the remaining Trustees, the Crown, CTA/CAE and OSBCU\CUPE. Any such notice must state the date, not prior to the actual date of the notice, on which such resignation is to take effect. Such resignation will take effect on the date stated in the notice unless another Trustee has been appointed to and has accepted the appointment as a Trustee pursuant to subsection (h), below, in which event the resignation takes effect as of the date of acceptance by the successor Trustee;
- (b) **Removal.** A Trustee may be removed at any time by his or her appointing Party by that Party giving seven (7) days' written notice to the Trustees, the Administrative Agent, and the other Parties. The effective date of removal will be the day immediately following the expiry of the notice period;
- (c) **Automatic Removal.** A Trustee shall be automatically removed if a receiving order is made against him or her or if he or she makes an assignment under the *Bankruptcy Act*, or ceases to meet any of the qualifications in s. 10.3;
- (d) **Incapacity.** In the case of a Trustee becoming incapable of acting as a Trustee, the appointment of the Trustee may be terminated by notice from the Trustee, or his or her personal representatives, to the Party that appointed the Trustee and the remaining Trustees;
- (e) **Death.** In the event of the death of a Trustee, his or her heirs, administrators, executors and assigns shall be fully discharged from all duties, responsibilities and liabilities in respect of the Trust Agreement arising after the date of death;
- (f) **Remaining Trustees.** In the event of the death, resignation, incapacity or removal of any one or more of the Trustees, the remaining Trustees shall have jointly all the powers, rights, estates and interests of the Trustees as provided hereunder and shall be charged with all duties of the Trustees hereunder;

- (g) **Status.** Any Trustee resigning or being removed and the personal representatives of any deceased Trustee shall forthwith turn over to his or her successor Trustee, or if no successor is immediately appointed, to the other Trustees, any and all records, books and documents in any form, in the possession of the Trustee incidental to his or her duties as a Trustee under this Agreement or relating to the administration of the Fund;
  - (h) **Appointment of Replacement Trustees.** When a Trustee dies, resigns, is removed or reaches the end of his or her term and is not re-appointed, a successor Trustee will be appointed as soon as reasonably possible by the applicable Party. Any such successor Trustee, immediately upon completing and filing with the Recording Secretary an Acceptance of Trust in the form of Schedule "H", is vested with all the property, rights, powers and duties of a Trustee hereunder from that date forward as if originally named as a Trustee;
  - (i) **Discharge of Trustees.** Any Trustee upon dying, resigning, being removed from office or reaching the end of his or her term and is not re-appointed, will thereafter be discharged of and from all future duties, obligations and responsibilities under this Agreement;
  - (j) **Indemnity.** A retiring or removed Trustee shall be entitled to require and receive from each continuing Trustee or new Trustee an indemnity on the terms described in s. 11.8 of this Agreement.
- 10.6 **Conveyance of Property.** Every person ceasing to be a Trustee hereunder is deemed to have conveyed, assigned, transferred or made over to the remaining Trustees upon such person's Cessation Date any or all the rights to and property of the Fund, and will, if necessary, convey, assign, transfer and make over to the remaining Trustees upon the Cessation Date any or all the rights and property of the Fund as the remaining Trustees may direct. Each Trustee, by signing this Agreement, or an Acceptance of Trust, constitutes and appoints the remaining Trustees as his or her attorneys, to sign all documents and deeds in such Trustee's name as may be necessary to convey his or her legal interest in the rights to and property of the Fund to the other Trustees upon the Cessation Date. Upon the appointment of a successor Trustee, the Trustees upon the effective date of such Acceptance of Trust by a successor Trustee will be deemed to have

conveyed, assigned, transferred or made over to the successor Trustee all the rights to and property of the Fund and will sign all documents and deeds as may be necessary to convey a joint legal interest in the rights to and property of the Fund to the successor Trustee.

10.7 **No Conflict.** A person is not disentitled from serving as a Trustee, solely because they:

- (a) are entitled to receive Benefits under a Plan; or
- (b) except in the case of independent expert trustees appointed under s.10.1, are an officer or employee of the Crown, CTA/CAE, another employer association, an Ontario school board, the OSBCU\CUPE or its constituent local unions;

For greater clarity, a Trustee of the CUPE EWBT shall not serve as a Trustee of another Education Sector Employee Life and Health Trust while serving as a Trustee of the CUPE EWBT.

10.8 **Validity of Actions of the Trustees.** Notwithstanding that it is subsequently discovered or determined that there existed some defect in the appointment, removal or qualifications of any Trustee, or, that at the time a decision or action of the Trustees was taken there was not appointed the required number of Trustees, all acts and proceedings taken by the Trustees in good faith at any time while any such defect existed will nevertheless be valid and effective.

10.9 **Fees and Expenses.** Trustees shall not be entitled to any fee or payment from the Trust on account of their holding office, except in accordance with this section, s. 10.10 or s.10.11, as applicable. However, subject to the approval of the Trustees, a Trustee may be reimbursed from the Fund for his or her actual expenses incurred in attending each meeting of the Trustees at which the Trustee is physically present, the reasonable expenses incurred for attending educational conferences or courses for which attendance the prior approval of the Trustees has been obtained, and the actual expenses in carrying out any other duty in connection with the Trust, all in accordance with the rates established by OSBCU\CUPE. Except for trustees to whom s. 10.10 applies, trustees employed in the education sector shall be paid, or their employer reimbursed, for their regular wages for lost time in connection with their duties as Trustee.

10.10 **Appointed Independent Expert Trustees' Compensation.** To the extent permitted by law, the two independent expert Trustees appointed in accordance with s.10.1(d) shall be entitled to such reasonable compensation for the performance of their duties hereunder. They shall receive:

- (a) an annual retainer of \$20,000, payable in equal quarterly instalments in arrears, adjusted annually for the wage rate increase for CUPE education workers. In the event that an independent expert Trustee's tenure as a Trustee ends on a day other than the last day of the quarter for which a quarterly instalment of his or her annual retainer is due, he or she shall be paid for the pro rata portion of such quarter that coincides with his or her tenure as Trustee; and
- (b) a meeting fee of \$500 for each meeting of the Trustees in which the Trustee participates in excess of four meetings per year, adjusted annually for changes to the wage rate increase for CUPE education workers. Participation by telephone or other simultaneous communication device shall qualify for a participation fee only if the meeting is scheduled and anticipated to last at least one (1) hour;

provided that the total amount paid to independent expert Trustees pursuant to (a) and (b) may not exceed \$40,000 (adjusted annually for changes to the wage rate increase for CUPE education workers) in any calendar year.

10.11 **Trustee Fees.** Trustees, other than the two independent expert Trustees and any Employee Trustee who is an employee of CUPE, shall be entitled to a meeting fee of \$100 for each meeting of the Trustees in which the Trustee participates, adjusted annually for changes to the wage rate increase for CUPE education workers. Participation by telephone or other simultaneous communication device shall qualify for a participation fee only if the meeting is scheduled and anticipated to last at least one (1) hour.

10.12 **Chair.** The Trustees shall, from among their number, appoint a Chair of the Board of Trustees for a term of at least one (1) year but not longer than three (3) years, which term shall be renewable at the discretion of the Trustees. The Chair shall act as the chair of all meetings of the Trustees and perform the duties set out in this Agreement or assigned to the Chair by the Board. The Trustees may terminate a trustee's appointment as Chair at any time, and may replace the Chair as circumstances require. Notwithstanding the foregoing, in the event the Chair is unable to attend a meeting of the Trustees for which

there is a quorum, the Trustees attending such meeting shall, from among their number, appoint a Chair for purposes of that meeting and such meeting Chair shall perform the duties assigned to the Chair of the Board solely for that meeting.

**10.13 Minutes of Meetings.** The Trustees shall keep minutes or records of all meetings, proceedings and acts of the Trustees. Such minutes shall be accurate and complete in all material respects, but need not be verbatim.

**10.14 Execution of Documents, Cheques and Electronic Payments.** All documents to be executed by the Trustees and all cheques payable out of the Fund shall be signed by any two (2) Trustees or by such other persons as the Trustees may by resolution appoint.

**10.15 Meetings.**

- (a) The Trustees shall hold at least four (4) meetings each year, one of which shall be designated as the annual meeting of the Trustees. The Chair shall be responsible for setting the dates of each such annual meeting, provided that the annual meeting must be held within six (6) months of the end of the fiscal year of the Fund;
- (b) Each meeting of the Trustees shall be held at a time and place to be determined by the Chair;
- (c) At least fourteen (14) days' written notice shall be provided to the Trustees of any such meeting, provided that such notice may be waived by the consent, in writing, of all Trustees, or by a unanimous resolution of the Trustees;
- (d) At each annual meeting of the Trustees, the Trustees shall consider, among other things:
  - (i) a financial statement from the auditors of the fund covering the immediately preceding fiscal period of the Fund;
  - (ii) the Administrative Agent's report relating to the period since the inception of the Fund or from the date of the last preceding annual meeting as the case may be; and
  - (iii) the appointment or re-appointment of the Trust's auditors.

10.16 **Other Meetings.** The Chair or any two (2) or more Trustees may call a meeting of the Trustees at any time by giving at least five (5) days' written notice of the time and place thereof to each Trustee. Meetings of the Trustees may be held at any time without notice if all Trustees consent thereto.

10.17 **Meetings by Conference Call or Consent in Writing.** Any meeting of the Trustees may be held by means of a conference telephone call or such other electronic means as deemed appropriate by the Trustees. Any decision is effective without a meeting of the Trustees if evidenced by instrument in writing signed by all the Trustees, which may be signed in counterparts.

10.18 **Quorum and Voting.**

- (a) A quorum shall consist of five (5) Trustees, at least two of whom must be Trustees appointed by CTA/CAE and/or the Crown pursuant to s. 10.1(b) or (c), and at least three (3) of whom must be Trustees appointed by OSBCU\CUPE pursuant to s.10.1(a). In determining whether a quorum is in place, Trustees who may not vote on a matter due to a conflict of interest shall be included in the number of Trustees present notwithstanding that they may not vote on the matter;
- (b) Except as otherwise provided in a Central Collective Agreement and in s.5.2, each Trustee shall be entitled to one (1) vote on all matters requiring a decision by the Trustees. The decisions of the Trustees shall be determined by a majority vote of those Trustees present and entitled to vote at a duly constituted meeting of the Board of Trustees;
- (c) The Chair at any meeting of Trustees shall be entitled to vote but shall not be entitled to a second or casting vote.

10.19 **Trustees' Deadlock.**

- (a) **Deadlock.** A deadlock shall be deemed to exist wherever a proposal, motion or resolution made by any Trustee is neither adopted nor rejected by a majority vote, or where a proposal, motion, or resolution is unable to be made at a meeting due to lack of a quorum at two (2) consecutively called meetings. In the event of a deadlock, a meeting of the Trustees shall be held at least ten (10) days after the

deadlock has arisen for the purpose of either resolving the matter in dispute or agreeing upon the designation of a mediator to assist in the resolution of the matter in dispute. In the event a meeting is not held within ten (10) days after the deadlock has arisen, or if a mediator has not been appointed within 20 days after the deadlock has arisen, the dispute shall proceed to arbitration in accordance with s. 10.19(c);

- (b) **Mediation.** In the event that the Trustees are deadlocked on an issue, four (4) Trustees, provided that two (2) of the four Trustees are Employee Trustees and two (2) of the Trustees are Employer Trustees, may propose a resolution to refer the matter at issue to a mediator. Upon a resolution being passed the Trustees will engage a mediator to help them resolve the disputed issue;
- (c) **Dispute Resolution Procedures.** If, within sixty (60) days after the date a mediator has been appointed, the matter in dispute has not been fully and finally resolved, the Trustees shall designate an arbitrator to resolve the dispute. If, within ninety (90) days of the appointment of a mediator, no arbitrator has been designated, and the matter in dispute has not been resolved, then either the Employee Trustees or the Employer Trustees may request the Chief Justice for the Ontario Superior Court of Justice to appoint an arbitrator;
- (d) **Scope of Mediation or Arbitration.** The terms of reference for a mediator or arbitrator appointed pursuant to s. 10.19(b) or (c), as the case may be, shall provide such mediator or arbitrator with all power and authority reasonably required to resolve the dispute in question in a manner consistent with the Central Collective Agreement, but in no event shall a mediator or arbitrator have the authority to increase the Employer Contributions provided for under the Central Collective Agreement in force at the time the dispute arises;
- (e) **Final and Binding Decisions.** Any decision reached through the mediation and arbitration steps of the dispute resolution procedure in accordance with paragraphs (b) and (c) above shall be final and binding upon the Trustees, the Crown, CTA/CAE, OSBCU\CUPE, all Participating Employers, all Participating Employees and all Beneficiaries.

10.20 **Meetings with the Crown, CTA/CAE and OSBCU\CUPE.** The Trustees shall convene an annual meeting within 6 months of the fiscal year end with representatives of the Crown, CTA/CAE and OSBCU\CUPE to discuss matters of interest to the Trustees, the Crown, the CTA/CAE or the OSBCU\CUPE.

**ARTICLE 11 – POWERS, DUTIES AND RESPONSIBILITIES OF THE TRUSTEES**

11.1 **Administration of the Trust Fund.** The administration of the Fund shall be the responsibility of the Trustees. The Board of Trustees are responsible for the operational and financial sustainability of the Trust, and they shall administer the Fund in accordance with the express powers given to them pursuant to this Trust Agreement and the Plans. The terms of this Trust Agreement and the Plans shall be construed and administered so as to comply with the requirements to be an employee life and health trust under subsection 144.1(2) of the *Income Tax Act* (Canada). Any term of this Trust Agreement or the Plans that would otherwise be inconsistent with the requirements of such provisions shall be modified to the extent necessary to comply with such requirements.

11.2 **Trustee Responsibilities.** The Trustees are responsible for the operational and financial sustainability of the Trust, including, but not limited to:

- (a) review of the design of the Plans at regular, periodic intervals and such other times as the Trustees determine to be prudent;
- (b) the validation of the sustainability of the Plans design at regular, periodic intervals and such other times as the Trustees determine to be prudent;
- (c) setting and revising Employee Contribution rates or premium requirements and deductibles with respect to the Plans at regular, periodic intervals and such other times as the Trustees determine to be prudent;
- (d) delivery of annual reports of Trust actuaries and auditors to the Parties, including reports regarding recommendations on sustainability and any subsequent changes to Plan design;
- (e) on an ongoing basis identifying efficiencies that can be achieved in the administration and investment of the CUPE EWBT;

- (f) design, adoption and implementation of a Funding Policy or Policies and an investment policy or policies with respect to the Plans;
- (g) adopting a policy for the appointment, review, evaluation and if necessary termination of service providers;
- (h) compliance with all applicable statutory requirements, including all applicable tax statutes; and
- (i) procurement of adjudicative, administrative, insurance, consultative and investment services.

11.3 **Shared Services.** The Trustees may enter into an administrative services agreement with an Administrative Agent, or shared service arrangements with the trustees of other Education Sector Employee Life and Health Trusts, or with other entities, and may delegate to such Administrative Agent or shared service entities any responsibilities or powers that the Trustees consider appropriate. Shared administrative services will be competitively procured. The Trustees shall monitor the performance of the Administrative Agent, and shall require that the Administrative Agent, insofar as it performs duties or discharges responsibilities in relation to the CUPE EWBT Plan and any other Plans, comply with Applicable Legislation, acts solely and exclusively in the best interests of the Beneficiaries, and, where receiving or having access to personal information of Beneficiaries, establishes a privacy policy based on and in compliance with Applicable Legislation.

11.4 **Collection of Contributions.** The Trustees may use all reasonable means to collect and receive all Contributions due to the Fund, and shall, promptly after receipt, deposit such Contributions in a Trust Fund account, established in a reputable bank, trust company, or other financial institution.

11.5 **Participation Agreements - Separate Accounts.** Subject to s. 12.3, the Trustees may enter into Participation Agreements that provide for the participation of Eligible Employers on a segregated basis, such that the assets and Contributions related to the Eligible Employer(s) will be held in a Separate Account and used for the provision of Benefits in accordance with the terms of a Plan, to a discrete and identifiable group of Participating Employees. For greater certainty, Article 6 will apply to any Separate Account established

for a discrete and identifiable group of Participating Employees pursuant to a Participation Agreement and the Trustees shall separately account for the assets and liabilities of each Separate Account, including, without limitation:

- (a) deposits, contributions, remittances, subsidies, investment and other income from whatever source to each Separate Account; and
- (b) Benefits to Participating Employees from each respective Separate Account, and the investment, administrative, and other expenses attributable to the maintenance of each Separate Account and the administration of the Plan to which the Separate Account relates.

11.6 **Authority of Trustees.** All persons dealing with the Trustees are released from inquiry into any decision or authority of the Trustees and from seeing to the application of any monies, securities or other property paid or delivered to the Trustees and may rely upon any document required to be executed by the Trustees which has been executed as provided herein, as having been duly authorized.

11.7 **Liability of Trustees.** The Trustees shall incur no liability, either collectively or individually, in acting in accordance with this Agreement, data or information believed by them to be genuine and accurate and to have been made, executed, delivered or assembled by the proper parties. No Trustee shall be liable for the act or omission of any other Trustee. No Trustee shall incur any liability as a result of acting in good faith on the basis of the actions, opinion or advice of the Administrative Agent in respect of any matter relating to the administration, or investment, as applicable of the Trust, the Fund or a Plan. Provided reasonable care was used by the Trustees in the engagement and continued retention of the Administrative Agent, no Trustee shall incur any liability in respect of such engagement or retainer. No Trustee shall be liable for any honest error of judgment nor shall any Trustee be personally liable for any obligations of the Trust or a Plan, except for obligations arising out of his or her own dishonesty, willful misconduct or gross negligence.

11.8 **Trustee Indemnity.** The Fund shall indemnify and save harmless the Trustees, and any person selected to act as a Trustee by a Party, their employees, assigns, executors, heirs and each of them, of, from and against any loss, expense, claim, demand, action or thing of any nature whatsoever, arising out of the establishment of the Trust and a Plan, and the

performance or purported performance of their duties or responsibilities hereunder except that this indemnity shall not, in any way, extend so as to protect any Trustee or person selected to act as Trustee (or any of their respective employees, assigns, executors or heirs) with respect to any matter or thing arising out of his or her own dishonesty, wilful misconduct or gross negligence.

**11.9 Liability of the Crown, CTA/CAE and OSBCU\CUPE.** None of the Crown, CTA/CAE, nor OSBCU\CUPE is a fiduciary with respect to any Plan or the Fund, and none shall be responsible or liable for:

- (a) the validity of the Trust Agreement;
- (b) any delay occasioned by any restriction or provision in this Trust Agreement, the rules and regulations of the Trustees issued hereunder, or any contract to which the Trustees are party;
- (c) any act or omission of the Trustees;
- (d) any investment of the Fund, including the making or retention of any deposit or investment of the Fund, or any portion thereof, or the disposition of any such investment, or the failure to make any investment of the Fund, or any portion thereof, or any loss or diminution of the Fund;
- (e) any of the obligations or acts of the Trustees notwithstanding that such Trustees may be associated with CTA/CAE or OSBCU\CUPE or any Participating Employer;
- (f) any Contributions required to be paid to the Fund, other than its own Contributions as may be required by the Central Collective Agreement or other collective agreement, if applicable, or a Participation Agreement;
- (g) any losses, expenses, claims, demands or actions in connection with the establishment of the Fund;
- (h) the insufficiency of the Fund or any Separate Account to provide Benefits under any Plan;

- (i) the provision or failure to provide any Benefits.

11.10 **Powers.** Subject to the provisions of this Agreement, including, without limitation, Article 4, and to the duties, powers and responsibilities expressly reserved to the Parties, the Trustees have in relation to the Fund and each Separate Account all the powers that a natural person would have if such person were the beneficial owner of the Fund or Separate Account, including without limitation the specific powers set forth below:

(a) **Power to Make Arrangements for Provision of Benefits**

the Trustees may provide Benefits in accordance with a Benefits Plan that is fully insured, partially insured or self-insured, as determined from time to time by the Trustees in their sole discretion and in accordance with the applicable Funding Policy and may make such arrangements and agreements, including insurance arrangements, on behalf of the Trust with corporations, firms or persons to provide the Benefits required to be provided pursuant to a Plan and this Agreement from time to time; and in addition the Trustees shall have the power to design and administer supplemental Benefits, or make other payments as may be permissible under Applicable Legislation, for Participating Employees that belonged to a predecessor benefit plan of a Participating Employer that transferred surplus assets to the CUPE Trust;

(b) **Power to Interpret Agreement and Plan**

in a manner consistent with the provisions of a Plan, this Agreement, Applicable Legislation, and the Central Collective Agreement, the Trustees shall have the power to construe the provisions of each Plan and this Agreement and any construction adopted by the Trustees will be binding upon the Crown, CTA/CAE, OSBCU\CUPE, Participating Employers and Beneficiaries;

(c) **Legal Action by Trustees**

the Trustees may, if they deem it necessary, seek a judicial determination or declaratory judgement on any questions of the construction of this Agreement or a Plan, or to obtain directions as to any action hereunder. Except as otherwise determined by the court, (a) the Parties will each have standing to participate in

any judicial proceeding initiated by the Trustees under this s. 11.10(c) and; (b) any such determination or judgment is binding on the Crown, CTA/CAE, OSBCU\CUPE, Participating Employers, Participating Employees and Beneficiaries;

2. Section 1(t) of the Trust Agreement is deleted and replaced, as follows:

- (t) "**CUPE Retired Employee Separate Account**" means the Separate Account maintained by the Trustees within the CUPE EWBT with respect to the CUPE Retired Employee Plan, and shall comprise:

requires, includes the Effective Date of Coverage as defined in Section 12.7;”

4. Section 1(qq) of the Trust Agreement is deleted and replaced, as follows:

- (i) for the purposes of Section 12.4, is supplemented by an agreement in the form and content attached as Schedule “I”; or,
- (ii) for the purposes of Section 12.5, is in a form agreed between the Trustees and a Participating Employer;”

5. Sections 12.4 and 12.5 of the Trust Agreement are deleted and replaced, as follows:

**12.4 Retired Employees – CUPE Members.** Retired Employees covered by the Central Collective Agreement and Retired Employees who were represented by CUPE and were formerly employed by an Eligible Employer, but who are not referenced in the Central Collective Agreement, may participate in the CUPE EWBT Retired Employee Benefit Plan, under the same categories of coverage (i.e. life, health, and/or dental) in which they participated under the Predecessor Benefit Plan, subject to and in accordance with a Retired Employee Participation Agreement, provided the Retired Employee was covered under the Predecessor Benefit Plan on March 1, 2018 and continued to be covered under the Predecessor Benefit Plan on the day before their former employer's Participation Date, in accordance with the provisions of Sections 12.7 through 12.22.

**12.5 Other Retired Employees.** Retired Employees who were not represented by CUPE, but who were formerly employed by an Eligible Employer, may participate in the CUPE EWBT Retired Employee Benefit Plan, subject to and in accordance with a Retired Employee Participation Agreement, provided the Retired Employee continued to be covered under the Predecessor Benefit Plan on the day before their former employer's Retired Employee Participation Date in accordance with the provisions of Sections 12.7 through 12.22.

**12.6** Notwithstanding paragraphs 12.4 and 12.5, a Retired Employee who meets the conditions of coverage set out in paragraphs 12.4 or 12.5, as applicable, other than the requirement to continue coverage in a Predecessor Benefit Plan until the day prior to the Retired Employee Participation Date, will be eligible for coverage under the CUPE EWBT Retired Employee Benefit Plan in accordance with the provisions of Sections 12.7 through 12.22 if the reason the Retired Employee's coverage under a Predecessor Benefit Plan ceased prior to the Retired Employee Participation Date is the Participating Employer's inability to renew or maintain its retiree coverage with its benefits provider.

**12.7 Definitions – CUPE EWBT Retired Employee Benefit Plan.** For the purposes of sections 12.4 to 12.22 and Schedule "I", the following terms are defined as follows:

- (a) **"Benefits"** means all of the benefits that a Participating Employer has agreed to provide to its Retired Employees through the CUPE EWBT Retired Employee Benefit Plan.
- (b) **"Cost of Benefits"** means the full cost of providing Benefits to a Participating Employer's Retired Employees under the CUPE EWBT Retired Employee Benefit Plan, including:
  - (i) the cost of premiums charged by the Insurance Company for insured Benefits,
  - (ii) the cost, as determined by the Trustees, of providing self-insured Benefits,
  - (iii) the cost of funding, if applicable, any margins, reserves or floats, as determined by the Trustees in accordance with generally accepted actuarial principles and industry practice, for litigation or other contingencies, and
  - (iv) all related administrative (including litigation) costs, as determined by the Trustees.
- (c) **"CUPE EWBT Retired Employee Benefit Plan"** means a Plan for the provision of Benefits to Retired Employees who are described in Sections 12.4 to 12.6 of this Agreement.

- (d) **"Insurance Company"** means an insurance company licensed to transact business in Canada and selected by the Trustees to insure or administer the CUPE EWBT Retired Employee Benefit Plan.
- (e) **"Effective Date of Coverage"** means a day, commencing at 12:01 am, on which the Participating Employer's Retired Employees are eligible for Benefits coverage under the CUPE EWBT Retired Employees Benefit Plan.
- (f) **"Non-Subsidized Retired Employees"** means a Retired Employee listed in a Retired Employee Participation Agreement who is eligible to participate in the CUPE EWBT Retired Employee Benefit Plan and who pays the full Cost of Benefits based on Prior Arrangements.
- (g) **"Non-Subsidized Retired Employee Contributions"** means the amounts that a Non-Subsidized Retired Employee must pay on account of the Cost of Benefits as a condition of coverage under the CUPE EWBT Retired Employee Benefit Plan.
- (h) **"Participating Employer"** means an Eligible Employer that has submitted a duly completed and executed Retired Employee Participation Agreement to the Trustees on or before December 31, 2021, or after that date with the prior written consent of the Trustees.
- (i) **"Participating Employer Contributions for Retired Employees"** means the amount of Employer Contributions, calculated in accordance with Prior Arrangements, paid by a Participating Employer on account of the Cost of Benefits with respect to the Participating Employer's Subsidized Retired Employees.
- (j) **"Prior Arrangements"** has the same meaning as the reference to 'prior arrangements' in section 3.1.2 of the Letter of Understanding #9 of the Central Collective Agreement.
- (k) **"Prior Plan"** means the benefits provided by an Eligible Employer or a Participating Employer to its Retired Employees immediately prior to the

Participating Employer's date of Coverage as set out in documentation provided to the Administrative Agent.

- (l) **"Retired Employee Premium Share"** means the portion of the Cost of Benefits that a Subsidized Retired Employee or a Non-Subsidized Retired Employee, as the case may be, must pay to the Participating Employer as a condition of coverage under the CUPE EWBT Retired Employee Benefit Plan, calculated on the basis of Prior Arrangements.
- (m) **"Subsidized Retired Employees"** means a Retired Employee listed in a Retired Employee Participation Agreement who is eligible to participate in the CUPE EWBT Retired Employee Benefit Plan and whose Participating Employer pays Participating Employer Contributions for the Retired Employee based on Prior Arrangements. For clarity, a Retired Employee who was, immediately before the effective date of the CUPE EWBT Retired Employee Benefit Plan, participating in a Predecessor Benefit Plan and paying 100% of the active employee premium rate, shall be considered as a Subsidized Retired Employee.
- (n) **"Subsidized Retired Employee Premium Share"** means the portion of the Cost of Benefits that a Subsidized Retired Employee must pay, based on Prior Arrangements, to maintain Benefits coverage, as set out in a Retired Employee Participation Agreement as a condition of coverage under the CUPE EWBT Retired Employee Benefit Plan.

## **12.8 CUPE EWBT Retired Employee Benefit Plan Design.**

- (a) The CUPE EWBT Retired Employee Benefit Plan shall provide Benefits to Retired Employees of each Participating Employer based upon the Participating Employer's Prior Plan and subject to any amendments made by the Participating Employer prior to the Participating Employer's Participation Date in accordance with section 12.9 of this Agreement. The Insurance Company shall provide a summary of the Benefits available to the Retired Employees of each Participating Employer.

- (b) An Eligible Employer that wishes to become a Participating Employer in the CUPE EWBT Retired Employee Benefits Plan must complete and return a Retired Employee Participation Agreement, the form and content of which is set out in Schedule "I" hereto, to the Insurance Company and the Trustees on or before December 31, 2021. An Eligible Employer that fails to complete and return a Retired Employee Participation Agreement on or before this date may only become a Participating Employer with the prior written consent of the Trustees.
- (c) The Retired Employee Participation Agreement must not conflict with this Agreement and may only be amended by agreement of OSBCU/CUPE, the CTA/CAE and the Crown, and, for greater certainty, may be modified in respect of any one or more Participating Employers.
- (d) The Trustees shall make commercially reasonable efforts to provide the Benefits to the Retired Employees of each Participating Employer based upon the Participating Employer's Prior Plan on an insured basis. If any particular Benefit cannot be provided on an insured basis, the Trustees shall make commercially reasonable efforts to provide that Benefit on a self-insured basis in accordance with industry practice and accepted actuarial practice and in a manner that does not undermine the viability of the CUPE EWBT Retired Employee Benefit Plan. In consultation with the Insurance Company, the Administrative Agent and the Participating Employer, the Trustees shall determine whether the Benefit can be provided by the CUPE EWBT Retired Employee Benefit Plan to the Retired Employees of a Participating Employer on a self-insured basis in accordance with industry practice and accepted actuarial practice without undermining the viability of the CUPE EWBT Retired Employee Benefit Plan, including on what terms the self-insured Benefit can be provided (for example, whether and what type of float may be required, whether and to what extent a Participating Employer may be required to accept responsibility for payment to the Trust for the costs of the self-insured Benefit in the event Retired Employees fail to pay their Retired Employee Premium Shares, etc.). The Trustees shall work with an Eligible Employer, the Insurance Company and the Administrative Agent and make good faith

efforts to reasonably provide any self-insured Benefit on a sustainable, efficient and cost-effective basis that replicates Prior Arrangements with respect to that Benefit as best as possible. For clarity, the Trustees are not empowered to alter the Prior Arrangements as between a Participating Employer and its Retired Employees. To the extent that the Trust may require the Participating Employer to accept responsibility for the payment to the Trust of the costs of a self-insured Benefit in the event Retired Employees fail to pay their Retired Employee Premium Shares, that shall not alter the Prior Arrangements or limit the Participating Employer from seeking to be made whole by the delinquent Retired Employees in any way. Moreover, if the terms which the Trustees establish for any self-insured Benefits are not acceptable to the Participating Employer, the Participating Employer is not required to provide that Benefit through the CUPE EWBT Retired Employee Benefit Plan other than to the extent it can be provided on an insured basis.

## **12.9 Establishing Benefits Levels.**

- (a) Upon receipt of a request from an Eligible Employer, the Trustees shall provide the Eligible Employer with the following (hereinafter collectively referred to as the "Preliminary Summary of Benefits"):
  - (i) a summary of the Benefits that the CUPE EWBT Retired Employee Benefit Plan can provide to the Retired Employees of that Eligible Employer based upon the Eligible Employer's Prior Plan;
  - (ii) an estimated Cost of Benefits; and,
  - (iii) identification of which benefits would be fully insured and which benefits would be provided on a self-insured basis and the terms on which the self-insured benefits can be provided (for example, any required float, whether a Participating Employer may be required to accept responsibility for payment to the Trust for the costs of the self-insured Benefit in the event Retired Employees fail to pay their Retired Employee Premium Shares, etc.).

The Trustees shall provide this information to the Eligible Employer as soon as possible but not later than thirty (30) days from the date the request is received.

- (b) Within thirty (30) days of receipt of the Preliminary Summary of Benefits, the Eligible Employer may accept the Preliminary Summary of Benefits and submit a duly completed and executed Retired Employee Participation Agreement to the Trustees, or the Eligible Employer may advise the Trustees that it wishes to modify the Preliminary Summary of Benefits by submitting any requested modifications in writing and remitting them, together with any data required by the Insurance Company, to the Trustees and the Insurance Company. Modifications to the Preliminary Summary of Benefits may only be for the purpose of replicating the Benefits the Eligible Employer provided to its Retired Employees under Prior Arrangements. Notwithstanding the foregoing, the Trustees are not required to verify that any requested modification conforms to an Eligible Employer's Prior Arrangements, and for greater certainty, if the Eligible Employer becomes a Participating Employer, the Participating Employer is solely responsible and liable for any deficiencies in coverage between the Benefits and its Prior Arrangements.
- (c) The Trustees shall make commercially reasonable efforts to provide any requested modifications to the Preliminary Summary of Benefits on a fully insured basis. If the Trustees cannot, after making commercially reasonable efforts to do so, provide a modification to the Preliminary Summary of Benefits on a fully insured basis, then the Trustees shall make commercially reasonable efforts to provide that modification to the Preliminary Summary of Benefits on a self-insured basis in accordance with industry practice and accepted actuarial practice in a manner that does not undermine the viability of the CUPE EWBT Retired Employee Benefit Plan. In consultation with the Insurance Company, the Administrative Agent and the Participating Employer, the Trustees shall make good faith efforts to reasonably provide any requested self-insured modification to the Preliminary Summary of Benefits on a sustainable, efficient and cost-effective basis that replicates Prior Arrangements with respect to that Benefit as best as possible. The Trustees shall determine whether the modification to the Preliminary Summary of Benefits can be provided by the CUPE EWBT Retired Employee Benefit Plan to the Retired Employees

of a Participating Employer on a self-insured basis in accordance with industry practice and accepted actuarial practice without undermining the viability of the CUPE EWBT Retired Employee Benefit Plan, including on what terms the self-insured modification to the Preliminary Summary of Benefits can be provided (for example, whether and what type of float may be required, whether and to what extent a Participating Employer may be required to accept responsibility for payment to the Trust for the costs of the self-insured benefit in the event Retired Employees fail to pay their Retired Employee Premium Shares, etc.). Notwithstanding the foregoing, the Trustees are not required to provide any Benefit on a self-insured basis that is not possible to provide despite commercially reasonable efforts or where doing so would undermine the viability of the CUPE EWBT Retired Employee Benefit Plan. The Trustees shall notify the Eligible Employer whether the requested modifications to the Preliminary Summary of Benefits can be provided by the CUPE EWBT Retired Employee Benefit Plan, the revised estimated Cost of Benefits factoring in any possible modifications to the Preliminary Summary of Benefits and whether the modifications will be fully insured or self-insured (and any conditions of providing the Benefit on a self-insured basis) as soon as reasonably possible. For clarity, the Trustees are not empowered to alter the Prior Arrangements as between a Participating Employer and its Retired Employees. To the extent that the Trust may require the Participating Employer to accept responsibility for the payment to the Trust of the costs of a self-insured Benefit in the event Retired Employees fail to pay their Retired Employee Premium Shares, that shall not alter the Prior Arrangements or limit the Participating Employer from seeking to be made whole by the delinquent Retired Employees in any way. Moreover, if the terms which the Trustees establish for any self-insured modification to the Preliminary Summary of Benefits are not acceptable to the Participating Employer, the Participating Employer is not required to provide that Benefit through the CUPE EWBT Retired Employee Benefit Plan other than to the extent it can be provided on an insured basis.

- (d) Notwithstanding anything in Sections 12.8(d) or 12.9(c), a Participating Employer must provide all of the applicable life, health and dental benefits to its Retired Employees through the CUPE EWBT Retired Employee Benefit Plan that the CUPE EWBT Retired Employee Benefit Plan can provide on a fully insured basis. A requested modification to the Benefits will not be permitted if it has the effect of removing the provision of a life, health and/or dental benefit that the CUPE EWBT Retired Employee Benefit Plan can provide on a fully insured basis from the CUPE EWBT Retired Employee Benefit Plan so that the Participating Employer may provide that benefit through any means other than the CUPE EWBT Retired Employee Benefit Plan, whether on a fully insured or self-insured basis.
- (e) The Eligible Employer shall have thirty (30) days to confirm that it accepts or declines any requested modification to the Preliminary Summary of Benefits from the date that it is advised whether the requested modifications to the Preliminary Summary of Benefits can be provided by the CUPE EWBT Retired Employee Benefit Plan and to submit a duly completed and executed Retired Employee Participation Agreement to the Trustees, along with any further data requested by the Insurance Company.
- (f) Once a Participating Employer has executed a Retired Employee Participation Agreement, it may not thereafter change or amend the Benefits provided to its Retired Employees without the prior written consent of the Trustees, other than to address a modification that the Participating Employer inadvertently did not request due to an oversight but is necessary in order for the Participating Employer to replicate its Prior Arrangements, as determined by the Participating Employer in its discretion.

**12.10 Costs of Enrolment Process.** All costs and expenses incurred by the Trustees in the Retired Employee enrolment process and the process of selecting or modifying the Benefits or arranging for the administration or provision of the Benefits, shall be paid out of the funds previously allocated to the Trust pursuant to section 4.1.1(b) of the Letter of Understanding #9 of the Central Collective Agreement.

**12.11 Retired Employee Enrolment Data.** Each Participating Employer shall provide to the Administrative Agent, at the same time it provides its completed and executed Retired Employee Participation Agreement to the Trustees, in electronic format acceptable to the Administrative Agent, the enrolment data set out in Appendix 1, Part I to the Retired Employee Participation Agreement pertaining to the Retired Employees of the Participating Employer who will be provided with Benefits under the CUPE EWBT Retired Employee Benefit Plan.

- (a) The Participating Employer represents and warrants that the enrolment data contained in of Appendix 1 to a Retired Employee Participation Agreement is true, accurate and complete as of the Effective Date of Coverage. In the event that a Participating Employer subsequently determines that there was an error in the enrolment data, it shall forthwith advise the Administrative Agent and the Trustees and correct the error.
- (b) The Participating Employer shall promptly notify the Trustees and the Administrative Agent of any changes to the data contained in Appendix 1, Part I to the Retired Employee Participation Agreement.
- (c) The Participating Employer shall make all reasonable efforts to notify each Retired Employee, at least sixty (60) days prior to the Effective Date of Coverage, of the Benefits to which they will be entitled under the CUPE EWBT Retired Employee Benefit Plan via the summary of benefits prepared and provided to the Participating Employer by the CUPE EWBT Retired Employee Benefit Plan and the amount of the Retired Employee Premium Share. The notice to Retired Employees shall also advise each Retired Employee of their rights to decline coverage by providing notice to the Administrative Agent at least thirty (30) days before the Effective Date of Coverage and to terminate coverage by providing notice to the Administrative Agent at least thirty (30) days before the termination of coverage date.

**12.12 CUPE Retired Employee Separate Account.** The Trustees shall establish the CUPE Retired Employees Separate Account. Under no circumstances shall assets held in a Separate Account for Participating Employees be used for the benefit of

Retired Employees, nor shall assets held in a CUPE Retired Employee Separate Account be used for the benefit of Participating Employees. The Trustees may establish any number of accounting divisions within the CUPE Retired Employees Separate Account for the purposes of tracking costs attributable to groups of Retired Employees within the CUPE EWBT Retired Employee Benefit Plan

**12.13 Participating Employer Premiums.**

- (a) Each year, the Trustees shall request that the Insurance Company establish the premium rates for each Participating Employer that reflect the Insurance Company's charges for providing Benefits to the Retired Employees of the Participating Employer. For greater certainty, the experience of all Retired Employees within the CUPE EWBT Retired Employee Benefit Plan shall be pooled for the purpose of determining premium rates, but the rates for each Participating Employer will reflect any differences in Benefits coverage provided under the CUPE EWBT Retired Employee Benefit Plan. The estimated Cost of Benefits will be determined using actuarial methods and assumptions that are in accordance with generally accepted actuarial principles but the cost of any self-insured benefits shall reflect the actual cost incurred.
- (b) The Trustees shall incorporate the premiums charged by the Insurance Company into the Cost of Benefits.
- (c) On or before August 1 of each year, the Administrative Agent shall advise each Participating Employer that is party to a Retired Employee Participation Agreement of:
  - (i) the Cost of Benefits for its Retired Employees for the year commencing September 1,
  - (ii) the monthly contributions required by the Trustees from the Participating Employer for the Cost of Benefits for the year commencing September 1.

**12.14 Adjustments to Participating Employer Premiums.** The Trustees may adjust the Cost of Benefits for any Participating Employer that is party to a Retired Employee Participation Agreement and the corresponding monthly contributions

from the Participating Employer during the year, on thirty (30) days' written notice to the Participating Employer.

**12.15 Payment by the Participating Employer.**

- (a) The Participating Employer shall pay the monthly Cost of Benefits required by the Trustees, including any Subsidized Retired Employee Premium Shares and Non-Subsidized Retired Employee Contributions it collects under Sections 12.15(b) and (d), as applicable, as of the Effective Date of Coverage.
- (b) The Participating Employer shall be responsible for collecting any applicable Subsidized Retired Employee Premium Shares and/or any Non-Subsidized Retired Employee Contributions based on Prior Arrangements and remitting them to the Trust. Neither the Trustees nor the Administrative Agent shall have any duty or power to confirm or verify any Subsidized Retired Employee Premium Shares or any Non-Subsidized Retired Employee Contributions.
- (c) Monthly payments shall be due in advance of the first day of each month in electronic format acceptable to the Administrative Agent.
- (d) A Participating Employer may determine the amount of any Retired Employee Premium Share in accordance with the applicable Prior Arrangement, and may require a Retired Employee to pay to the Participating Employer the amount of any Retired Employee Premium Share to it as a condition of the Retired Employee's coverage under the CUPE EWBT Retired Employee Benefit Plan, provided that:
  - (i) In the event that a Retired Employee fails to pay their Retired Employee Premium Share, the Participating Employer nevertheless remains responsible for the timely payment to the Trustees of the full amount of the Participating Employer Premium determined pursuant to Sections 12.13 and 12.14, without any deduction on account of any late payment or delinquency on the part of the Retired Employee, but nothing herein restricts a Participating Employer from seeking compensation from the delinquent Retired Employee for any unpaid Retired Employee Premium Shares during this period; and

- (ii) In the event that a Retired Employee has not paid their Retired Employee Premium Share within thirty (30) days after the Retired Employee Premium Share was due, the Participating Employer may terminate coverage for the Retired Employee under the CUPE EWBT Retired Employee Benefit Plan by providing the Trustees, the applicable Local CUPE Union and the Retired Employee with at least a further thirty (30) days' notice in writing of the termination of coverage. If the Retired Employee pays the outstanding amount to the Participating Employer prior to the expiry of the thirty (30) days' notice of termination period, the Participating Employer shall immediately notify the Trustees and the coverage shall not be terminated. Nothing herein restricts a Participating Employer from seeking compensation from the delinquent Retired Employee for any unpaid Retired Employee Premium Shares.

**12.16 Float for the Provision of Benefits.** If required by the Insurance Company, the Trustees may require a Participating Employer to pay an amount as a float for the provision of Benefits, as and when required in accordance with industry standards which shall be calibrated and held to ensure that in no event will it create a surplus that cannot be refunded to the Participating Employer.

**12.17 Funding Policies.** OSBCU\CUPE and the CTA/CAE shall have disclosure of and input into:

- (a) to the extent that the CUPE EWBT Retired Employee Benefit Plan is fully insured, the insurance renewal process, financial experience, surplus and reserves, retention expense, and any margins or explicit reserves, any claims fluctuation reserve, and the reconciliation of same, and at the Trust level, any margins for litigation and administration expenses and any other margins established by the Trustees and reconciliation of those margins; and/or
- (b) the actuarial methods and assumptions to be used in any actuarial valuations of uninsured Benefits provided by the CUPE EWBT Retired Employee Benefit Plan, including, for greater certainty, assumptions for administration and litigation expenses.

**12.18 Annual Meeting.** The Trustees shall convene an annual meeting with OSBCU\CUPE and the CTA/CAE to discuss the above matters of interest regarding the CUPE EWBT Retired Employee Benefit Plan. The Trustees may

schedule this meeting in conjunction with the annual meeting under section 10.20 of this Agreement.

**12.19 Participating Employer Failure to Comply.** For greater certainty the provisions of Article 8 of this Agreement apply to Participating Employer obligations that arise as a result of an Eligible Employer becoming a party to a Retired Employee Participation Agreement.

**12.20 Termination of Retired Employee Participation Agreement.**

- (a) In the event that any amount due hereunder from a Participating Employer is not paid within sixty (60) days of its due date, the Trustees may suspend Benefits coverage for the Retired Employees of the Participating Employer ("Suspension Date") on at least a further thirty (30) days' written notice to the Participating Employer, the CTA/CAE, OSBCU\CUPE and the Insurance Company. If the Participating Employer pays all outstanding amounts during the thirty (30) days' written notice of impending suspension period, the Insurance Company shall be notified and Benefits coverage shall not be suspended. The Participating Employer shall be solely and exclusively responsible for any liability incurred as a result of a suspension of Benefits coverage and for greater certainty the Trustees shall have no liability to pay any claims for Benefits incurred by Retired Employees of the Participating Employer after the Suspension Date.
- (b) A Participating Employer that has had its Benefits coverage suspended may, any time prior to the termination of its Retired Employee Participation Agreement, pay all outstanding amounts, including amounts that have accrued after the Suspension Date, and request reinstatement of Benefits coverage retroactively to the Suspension Date. If a Participating Employer pays all outstanding amounts and requests reinstatement of Benefits coverage retroactively, the Trustees shall work in good faith with the Insurance Company to bring about the retroactive reinstatement Benefits coverage if and to the extent possible. If a Participating Employer has not had its Benefits coverage reinstated within one (1) year of the Suspension Date, the Trustees may terminate the Retired Employee Participation

Agreement with the Participating Employer on at least a further sixty (60) days' written notice to the Participating Employer, the CTA/CAE, OSBCU\CUPE and the Insurance Company.

- (c) In the event of a termination of coverage for all of the Retired Employees of the Participating Employer pursuant to subsection (b), or because there are no longer any Retired Employees of the Participating Employer covered by the CUPE EWBT Retired Employee Benefit Plan, or in the event of the termination of coverage for self-insured Benefits because there are no longer any Retired Employees of the Participating Employer eligible for the self-insured Benefits, the Trustees shall prepare a terminal accounting statement and provide it to the Participating Employer within thirty (30) days after the termination of coverage.
- (d) In the event of any termination of coverage described above, the Participating Employer shall pay the following amounts to the Trustees within thirty (30) days of the receipt of the terminal accounting statement:
  - (i) Any costs incurred by the Trustees up to and including the Termination Date in relation to the provision of Benefits to the Retired Employees of the Participating Employer;
  - (ii) Any deficits, accumulated with interest, in respect of any uninsured Benefits for the Retired Employees of the Participating Employer.
- (e) The Trustees shall have no liability to pay any claims for Benefits incurred by Retired Employees after the Termination Date.
- (f) A Participating Employer may not terminate its Participation Agreement or the coverage of its Retired Employees in accordance with the terms of this Agreement without the prior written consent of the Trustees.
- (g) If the Insurance Company declines to renew or provide continuing Benefit coverage to one or more Participating Employers and the Trustees are unable to obtain alternate coverage after making commercially reasonable efforts to do so, the Parties shall meet forthwith to negotiate any necessary amendments to this Agreement to facilitate continued Benefits coverage for the affected Participating Employers and Retired Employees.

**12.21 Responsibilities vis-à-vis Retired Employees.** The following principles shall govern the provision of post-retirement Benefits to Retired Employees:

- (a) Each Participating Employer shall be responsible for promises it has made to Retired Employees for the provision of post-retirement Benefits.
- (b) Participating Employers shall be responsible for determining the Benefits to its Retired Employees. The Trustees will assist in providing information and support to Eligible Employers and Participating Employers through the process including interfacing with the Administrative Agent and Insurance Company as appropriate;
- (c) For greater certainty and without derogating from anything else in this Agreement, the Trustees shall:
  - (i) deliver post-retirement Benefits to Retired Employees in accordance with the CUPE EWBT Retired Employee Benefit Plan (including any modifications to the Benefits), and
  - (ii) be responsible for any negligence in the delivery of such Benefits or any failure to deliver post-retirement Benefits to Retired Employees in accordance with the CUPE EWBT Retired Employee Benefit Plan.

**12.22 General Provisions.**

- (a) The Participating Employer may, as of the Effective Date of Coverage, provide any Benefit to its Retired Employees through an arrangement other than the CUPE EWBT Retired Employee Benefit Plan so long as the provisions of Section 12.9(d) are complied with. The Trustees shall not be responsible for any Benefits that are not provided through the CUPE EWBT Retired Employee Benefit Plan. However, from and after the Effective Date of Coverage, the Participating Employer may not terminate its participation in the CUPE EWBT Retired Employee Benefit Plan in respect of any Benefit without the prior written consent of the Trustees.
- (b) A Retired Employee may decline coverage under the CUPE EWBT Retired Employee Benefit Plan by providing notice in writing to the Administrative Agent at least thirty (30) days prior to the Effective Date of Coverage. A

Retired Employee may also terminate coverage under the CUPE EWBT after the Effective Date of Coverage by providing at least thirty (30) days' written notice of termination to the Administrative Agent.

- (c) Notwithstanding anything in these Sections 12.4 to 12.22, the Trustees shall not be required to take any action or decision that could reasonably be expected to result in the CUPE EWBT ceasing to meet the requirements of an "employee life and health trust" or that would otherwise be inconsistent with the CUPE EWBT's status as an "employee life and health trust" under the Income Tax Act (Canada).

6. The Trust Agreement is amended by adding the attached Appendix "A" to this amendment as Schedule "I" to the Trust Agreement.

7. This amendment to the Trust Agreement may be executed and delivered in any number of counterparts, each of which shall be deemed to be an original, and all such respective counterparts shall together constitute one and the same instrument.

**IN WITNESS WHEREOF** the Parties hereto, in consideration of the mutual promises and undertakings herein set forth, and intending to be legally bound hereby, have caused this amendment to the Trust Agreement to be executed as of the date and year first above written.

**SCHEDULE "I"**

**PARTICIPATION AGREEMENT FOR RETIRED EMPLOYEES**

THIS AGREEMENT made as of this \_\_\_\_\_ day of \_\_\_\_\_  
2021.

B E T W E E N:

**[SCHOOL BOARD]**  
(the "Participating Employer")

- and -

**CUPE EWBT BY ITS TRUSTEES**  
(the "Trustees")

**WHEREAS** the Participating Employer has made post-retirement benefit commitments to its Retired Employees;

**AND WHEREAS** the CUPE EWBT offers a CUPE EWBT Retired Employees Benefit Plan;

**AND WHEREAS** the Participating Employer has selected the CUPE EWBT Retired Employee Benefit Plan to provide certain Benefits to its Retired Employees;

**NOW, THEREFORE**, the Parties agree as follows:

1. The Participating Employer hereby elects to enroll its Retired Employees in the CUPE EWBT Retired Employee Benefit Plan effective \_\_\_\_\_, 2021 (the "Effective Date"). By executing this Retired Employee Participation Agreement the Participating employer accepts the summary of Benefits provided to it, including any modifications to the Benefits requested by the Participating Employer, the estimated Cost of Benefits and the identification of which Benefits are fully insured and which are self-insured, a copy of which is attached hereto as Appendix 1, Part II.
2. As a condition of coverage, the Participating Employer agrees to complete Appendix 1, Part I to this Retired Employee Participation Agreement and agrees to provide any other information requested by the Insurance Company or the Administrative Agent within thirty (30) days of the receipt of any such request.

Coverage shall not commence until thirty (30) days after the Participating Employer has provided all necessary information.

3. The Participating Employer shall pay the monthly Cost of Benefits required by the Trustees in accordance with Sections 12.13 and 12.14 of the Trust Agreement, including any Subsidized Retired Employee Premium Shares and Non-Subsidized Retired Employee Contributions it collects under Sections 12.15(b) and (d), as applicable, of the Trust Agreement as of the Effective Date of Coverage.
4. The Participating Employer shall make monthly payments for the Cost of Benefits in respect of its Retired Employees in accordance with the Trust Agreement, as it may be amended from time to time. The Participating Employer shall be notified by the Trustees, from time to time, as to the amount and timing of the monthly payments that it is required to remit in respect of its Retired Employees pursuant to the Trust Agreement.
5. The Participating Employer acknowledges that Subsidized Retired Employees are required to pay the applicable Subsidized Retired Employee Premium Share, and that Non-Subsidized Retired Employees are required to pay the applicable Non-Subsidized Retired Employee Contributions, as a condition of coverage in the CUPE EWBT Retired Employee Benefit Plan. The Participating Employer is responsible for collecting and remitting such amounts from its Retired Employees and is solely responsible for recovering any amounts that a Subsidized Retired Employee or Non-Subsidized Retired Employees is required to contribute (if any) to receive Benefits from the CUPE EWBT Retirement Employee Benefit Plan. In the event that a Subsidized Retired Employee or Non-Subsidized Retired Employee fails to make timely payments of their Retired Employee Premium Share, the Participating Employer nevertheless remains responsible for the timely payment to the Trustees of the full amount of the Participating Employer Premium determined pursuant to Sections 12.13 and 12.14 of the Trust Agreement, without any deduction on account of any late payment or delinquency on the part of the Retired Employee, however benefits coverage for that Subsidized Retired Employee or Non-Subsidized Retired Employee may be terminated in accordance with Section 12.15(d) of the Trust Agreement and the Participating Employer seek

compensation from the delinquent Retired Employee for any unpaid Retired Employee Premium Shares.

6. A CUPE Retired Employee Separate Account shall be maintained by the Trustees for the CUPE EWBT Retired Employee Benefit Plan. The assets of the CUPE Retired Employee Separate Account, together with earnings thereon, shall be the exclusive source of funding for Benefits under the CUPE EWBT Retired Employee Benefit Plan.
7. The Participating Employer acknowledges that it shall be responsible for the promises it has made to its Retired Employees for the provision of post-retirement Benefits. The Trustees shall not be responsible for any Benefits that are not provided through the CUPE EWBT Retired Employee Benefit Plan.
8. The Participating Employer agrees to be bound by the CUPE EWBT Trust Agreement, as amended, and acknowledges having been provided with a copy of it and having had an opportunity to review it prior to signing this Participation Agreement. The terms of the Trust Agreement, as may be amended from time to time, shall prevail to the extent of any inconsistency with this Participation Agreement. The Trustees shall provide the Participating Employer with a copy of any subsequent amendments to the Trust Agreement as they are made.
