**MEMORANDUM TO:** Directors of Education  
Secretary/ Treasurers of School Authorities

**FROM:** Nancy Naylor  
Deputy Minister

**DATE:** **April 26, 2019**

**SUBJECT:** **2019-20 Priorities and Partnerships Fund**

---

The Ministry of Education is pleased to launch the new Priorities and Partnerships Fund (PPF).

On March 15, 2019, the government released Memo 2019:B08 *Education that Works for You*, the new vision for Ontario's education system. The vision will be implemented using a responsible approach that will modernize education to maximize student performance and well-being.

On April 11, 2019, the government tabled its 2019 Budget. This year's budget reflects the outcomes of a comprehensive multi-year planning process that's built on the findings of EY Canada's line-by-line review, and the ideas identified in the Planning for Prosperity Survey and the Big Bold Ideas Challenge. The government conducted a thorough review of all government programs in order ensure investments are sustainable and modernized. The review is also meant to ensure that duplication is eliminated, and valuable programs and services are sustainable and delivering outcomes for the people of Ontario.

In addition to this review, all ministries were required to identify administrative savings. This was to be done by identifying opportunities to modernize services in order to reduce administrative costs and burden, while improving services across ministries, agencies and transfer-payment partners. Ministries considered how they could eliminate

duplicative and non-value added processes, and implement automation and other streamlining solutions where repetitive and routine tasks existed previously.

The PPF is being launched in alignment with this year’s Budget and supports Ontario’s new vision for education. The approach will prioritize education funding, supplemental to the Grants for Student Needs (GSN), on high impact initiatives that directly support students in the classroom. The funding will replace the previous Education Programs – Other funding and will be evidence-based and outcome-focused while providing streamlined, accountable, and time-limited funding that will be reviewed and assessed by the Ministry each year.

**Funding**

For 2019-20 the PPF will provide up to \$330 million in funding to education partners to support students.

To facilitate school boards’ budget planning for 2019-20, today the Ministry is confirming approximately \$185 million of PPF funding to school boards and school authorities to support Ministry priorities.
