

## Appendix A: 2024-25 Product Allocations for School boards, Authorities and Consortium Centre Jules-Léger

**Please note:** The board allocations represent an approximate number of menstrual products. School boards can expect a slight variance in the number of menstrual products they may receive due to packaging. Boards may order more than their allocated amount of menstrual products or dispensers depending on stock and availability during the school year.

School Board Name	Allocation of Menstrual Products (weighted by female enrolment aged 13-18 data from OnSIS 2022-23)	Product Dispensers (One-time Allocation)  (Weighted by number of secondary schools)
