Number of FTE please allow for 2 decimal places. For confirmation that all centres are compliant with planning guidelines and that programming aligns with HDLH, please select answer using the drop-down menu.

Step 2: EarlyON - Staffing

PURPOSE

This schedule collects data regarding the salaries and benefits for individuals who support EarlyON Child and Family Centres in the delivery of mandatory core services and customized community connections. This schedule also collects data regarding the number of staff, the FTE of staff, as well as salaries and benefits of individuals who support EarlyON Child and Family Centres in Child Care and Early Years Planning and Data Analysis Services (CCEYP and DAS) activities.

HOW TO COMPLETE

Under **SUBMISSION INPUT AND QUERY → INPUT AND RESULTS**, select:
“EarlyON – Staffing”

Complete the Mandatory Core Services tab for EarlyON Child and Family Centres:

- **Salaries and Benefits Total:**
 - Salaries include the following: payments to all full-time, part-time, temporary, occasional, summer or other employees. Included in this account line are premium pay, overtime pay, vacation pay, and other direct monetary compensation paid to employees. Benefits include mandatory benefits (e.g. CPP, EI, and EHT), benefit plan costs (e.g. ADD, LTD, extended health, dental) as well as other benefits (e.g. WSIB, maternity top-up). **Please report the aggregate of salaries and benefits.**

 - Enter the total sum of expenditures for supply and relief purposes for program staff. Examples of expenditures to be included in this line are wages for supply and relief staff.

FULL-TIME EQUIVALENCY (FTE) CALCULATION

$$\text{FTE} = (\# \text{ hours worked during the year}) / (35 \text{ hours / week} \times 52 \text{ weeks})$$

For example, if a part-time staff works for 15 hours every week, the FTE = **0.43 FTE** (15 hours X 52 weeks) / (35 hours X 52 weeks)

NOTE: In deciding if staff should be reported in this schedule or the “EarlyON - Administration Staff” schedule, ask yourself the following question:

“Would the position still exist if delivery of mandatory core services and customized community connections and/or CCEYP/DAS for EarlyON Child and Family Centres ceased?”

If the position would continue to exist, report the position in the “EarlyON – Administration Staff” schedule, otherwise report it in the “EarlyON - Staffing” schedule.

***TIP!**

An error message will result if the FTE of staff reported exceeds the number of staff entered, per line. Please note that **ALL** error messages will need to be cleared in order to promote your submission to active.

Step 3: EarlyON - Administration Staff

PURPOSE

This schedule collects data regarding the number of staff, the full-time equivalency (FTE) of staff, as well as salaries and benefits of individuals who provide **administrative support** to EarlyON Child and Family Centres.

Any administration costs that can logically be assigned to administering EarlyON Child and Family Centres are considered administration costs. This is the schedule where staffing charge backs from central departments (e.g. IT, HR, Finance, etc.) should be included. Where possible, the number of staff and FTE for these charge back costs should also be provided in this schedule.

HOW TO COMPLETE

Under **SUBMISSION INPUT AND QUERY → INPUT AND RESULTS**, select:
“EarlyON – Administration Staff”

Please follow the same steps as those identified in Step 2 (on pages 5 and 6) to report the number of staff, the full-time equivalency and the salary and benefit costs.

NOTE: In deciding if staff should be reported in this schedule or the “EarlyON – Staffing” schedule, ask yourself the following question:

“Would the position still exist if delivery of mandatory core services and customized community connections and/or CCEYP/DAS for EarlyON Child and Family Centres ceased?”

If the position would continue to exist, report the position in the “EarlyON – Administration Staff” schedule, otherwise report it in the “EarlyON – Staffing” schedule.

***TIP!**

Step 4: EarlyON - Expenditures

PURPOSE

This schedule captures information on gross expenditures and revenue streams for EarlyON Child and Family Centres.

HOW TO COMPLETE

Under **SUBMISSION INPUT AND QUERY → INPUT AND RESULTS**, select:
“EarlyON - Expenditures”

The ‘EarlyON – Expenditures’ schedule is broken down into five sections as follows:

- **Section 1: Operating: Mandatory Core Services and Customized Community Connections**
- **Section 2: Professional Learning and Capacity Building**
- **Section 3: Child Care and Early Years Learning Planning and Data Analysis Services**
- **Section 4: Administration Expenses**
- **Section 5: Offsetting Revenues**

The sections are further broken down into different categories. Report gross expenditures in the appropriate categories for EarlyON Child and Family Centres provided by your entity.

Gross Expenditures

All expenditures for EarlyON Child and Family Centres, **irrespective of the funding source**, must be included in this schedule.

Salaries and Benefits Note:

The salaries and benefits for mandatory core services and customized community connections program and non-program staff and CCEYP and DAS program staff are carried over from the “EarlyON – Staffing” schedule. The salaries and benefits for administration staff are carried over from the “EarlyON – Administration Staff” schedule.

Administration Note:

The 10% limit on the administration expenses for EarlyON Child and Family Centres is calculated after applying administration offsetting revenues to the administration expenses. If 10% limit has been exceeded, the admin expenses subtotal would be highlighted in red triggering a warning.

Reporting on Expenses Note:

For other expenses related to mandatory core services and customized community connections, CCEYP and DAS, and administration, please input description under the description column regarding the nature of the expenses. For offsetting revenues, please input revenues as negative numbers and include description regarding the sources of the revenues under the description column.

The Ministry of Education has undertaken a modified status-quo approach for expenses reporting. As such, for consistency purposes, the entities are required to follow the prior guidelines when deciding which line to report certain expenses. For further questions, please contact your Financial Analyst.

Step 5: EarlyON - Entitlement

PURPOSE

The EarlyON Child and Family Centres funding entitlement is calculated in this schedule. The levels of expenditures, financial flexibility, administration maximum allowable expenditure threshold and CCEYP and DAS minimum expenditure threshold as per the policies set out in the Ontario Early Years Child and Family Centres Business Practices and Funding Guidelines for Service System Managers (2018) are all taken into consideration when calculating the entitlement.

HOW TO COMPLETE

Under **SUBMISSION INPUT AND QUERY → INPUT AND RESULTS**, select:
“EarlyON – Entitlement”

There is no data entry required for this schedule as all the required data has been pre-loaded or is derived from other schedules within the submission. The allocation for the EarlyON Child and Family Centres should be checked against Schedule D of your Service Agreement. Expenses found in this schedule are pulled from the EarlyON – Adjusted Gross Expenditures of the “EarlyON – Expenditures” schedule of this submission.

Total EarlyON entitlement is calculated as the lesser of the allocation and the adjusted gross expenditures presented in the “EarlyON – Expenditures” schedule. Administration maximum allowable expenditure is capped at 10 percent of the total 2018 EarlyON Child and Family Centres allocation. Minimum CCEYP and DAS expenditure threshold is based on 2017 allocations for early child development planning and data analysis services as set out in the budget schedule of your 2018-19 EarlyON Child and Family Centres Agreement.

For Ministry use, entitlement is shown separately as provincial entitlement and ELCC entitlement. Adjusted gross expenditures are applied against provincial allocation before ELCC allocation. For a summary of your total entitlement please refer to the Entitlement Summary schedule.
