**MEMORANDUM TO:** Directors of Education

**FROM:** Nancy Whynot  
Director  
Business Services Branch

**DATE:** December 19, 2006

**SUBJECT:** 2006-07 Student Transportation Survey

---

I am writing to inform you that the 2006-07 student transportation survey is now available online.

To begin, I would like to extend my appreciation to all 72 school boards and to the province's transportation consortia for their great effort and support on the 2005-06 student transportation survey. The data collected has allowed the Ministry to produce comprehensive and meaningful reports. These reports were shared with the sector during our summer workshop, and are available on our student transportation website <http://transport.edu.gov.on.ca>.

In continuing the effort to improve and streamline the transportation survey, we have incorporated a number of changes into the 2006-07 survey:

- Transportation consortia can report transportation data under their consortium name;
- The student data, financial data, and contractors and vehicles sections have been further enhanced and clarified.

In addition, a questions and answers document is available on our website.

The due date for submission of the completed 2006-07 Transportation Survey is March 18, 2007. If you have any questions regarding the survey, please contact Vanissa Szeto at 416-325-4906 or [vanissa.szeto@ontario.ca](mailto:vanissa.szeto@ontario.ca).

Thank you for your continued cooperation.
