MEMORANDUM TO: Directors of Education
Senior Business Officials

FROM: Cheri Hayward
Director
School Business Support Branch

DATE: September 2, 2015

SUBJECT: **2014-15 Student Transportation Survey**

The purpose of this memorandum is to inform you of the release of the 2014-15 student transportation survey.

I would like to thank school boards and transportation consortia for their great effort and support on the 2013-14 student transportation survey. Accurate and complete information collected from the survey enables the Ministry to conduct informed policy analysis, in addition to producing and sharing comprehensive summary reports to support consortia and board level decision-making.

Attached are the instructions and templates to assist consortia with the completion of the 2014-15 transportation survey. The detailed survey package will be available online at the School Business Support Branch website at <https://sbsb.edu.gov.on.ca>.

The due date for submission is Friday, December 11, 2015. This date aligns with school boards' financial reporting timeline, allowing transportation consortia to report financial information based on actual expenditures.

If you have any questions or comments regarding the 2014-15 student transportation survey, please contact Student.Transportation@ontario.ca.
