MEMORANDUM TO: Superintendents of Business

Superintendents of Facilities

FROM: Grant Osborn

Director

Capital Policy and Programs Branch

DATE: April 1, 2016

SUBJECT: 2016-17 School Condition Improvement Funding

This memorandum is intended to provide school boards with additional information about the changes to the School Condition Improvement (SCI) funding allocations for 2016-17 that were announced in memorandum **2016:B06** Grants for Student Needs Changes for 2015-16 and 2016-17.

For 2016-17, \$500 million will again be allocated to school boards through the SCI program to address the significant backlog in school renewal needs. SCI funding will be allocated to school boards, for schools open and operating in the 2015-16 school year, in proportion to the renewal needs assessed for these facilities during the 2011-2015 cycle of the Ministry's Condition Assessment Program. Please see **Appendix A** for individual school board allocations.

While the total province-wide 2016-17 SCI funding allocation will continue to remain at \$500 million, individual board allocations have changed from 2015-16. For 2015-16, funding was allocated based on the actual renewal needs of approximately 3,500 schools assessed between 2011 and 2014, as well as the modelled renewal needs of the remaining schools that had not yet been assessed in 2014 or 2015. For 2016-17, funding is being allocated based on the actual renewal needs of all schools (approximately 4,500) that were eligible to be assessed in the complete 2011 to 2015 cycle.

As a result, individual board SCI funding variations for 2016-17 SCI are attributed to the following:

- A board's actual 2014 or 2015 condition assessment being higher or lower than the condition that had been modelled for 2015-16 SCI funding;
- Closure of schools between the release of the 2015-16 SCI funding allocation and the 2016-17 SCI funding allocation, resulting in an improvement of a board's overall school condition results, and therefore, a decrease in SCI funding.

Please refer to memorandum **2016:B06** and memorandum **2015:SB37**, Reporting Renewal Expenditures and an Update on the School Condition Assessment Program, for details on school board reporting requirements for renewal expenditures funded through SCI. Please note the following for the reporting of 2015-16 SCI expenditures:

Expenditure Period		Doodling	Last Undata to EEIS
Expenditure from:	Expenditure to:	Deadline	Last Update to EFIS
September 1, 2015	March 31, 2016	April 15, 2016	April 22, 2016.
April 1, 2016	August 30, 2016	September 30, 2016	October 31, 2016

As part of the Capital Planning Capacity Program (CPC), all school boards have received funding under the Data Management to help adjust to these reporting requirements. CPC was announced as part of the 2014-15 GSN. Allocations for the 2015-16 and 2016-17 school year have been announced in memorandum 2016:B04.

Also, as previously announced, the Ministry is continuing the Condition Assessment Program for another five year cycle beginning in 2016. The Ministry will be issuing a memorandum with additional details about the new assessment cycle in the near future.

For questions about any of the information included in this memorandum, please contact Hitesh Chopra, Team Lead, Policy, Capital Policy and Programs Branch, at (416) 325-1887 or Hitesh.Chopra@ontario.ca.
