5. Additional security verification will be required. You will be prompted to get the “Microsoft Authenticator App” or you can select “I want to set up a different method”.

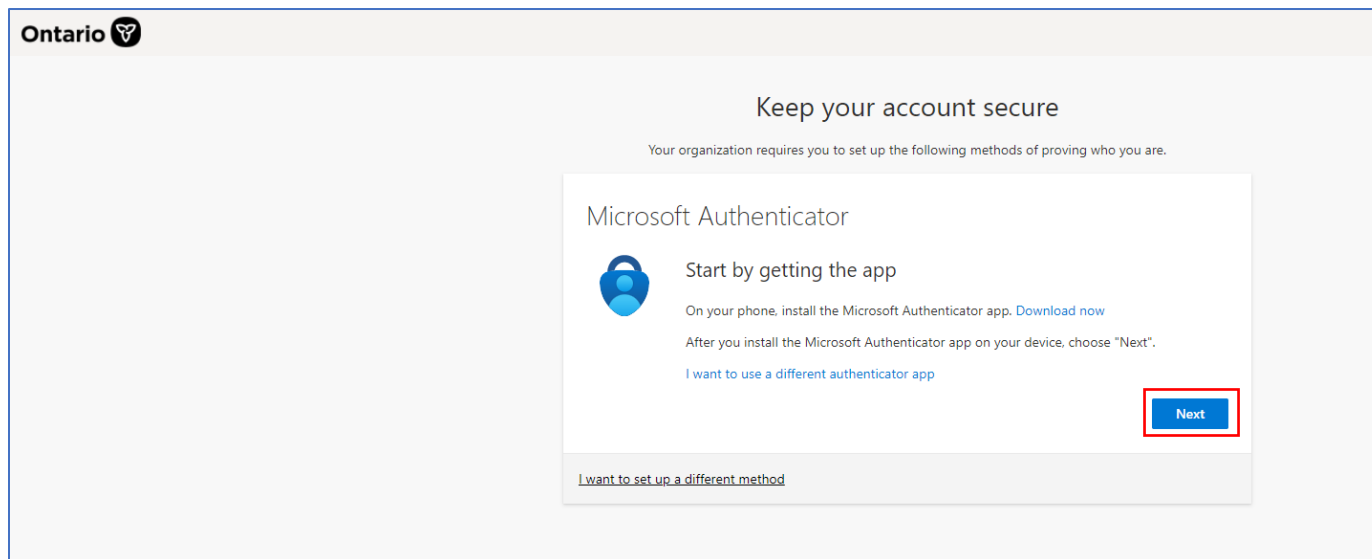

The screenshot shows a web page with the Ontario logo in the top left corner. The main heading is "Keep your account secure". Below this, a sub-heading states: "Your organization requires you to set up the following methods of proving who you are." The central content area is titled "Microsoft Authenticator" and features a blue padlock icon. The text reads: "Start by getting the app", "On your phone, install the Microsoft Authenticator app. [Download now](#)", and "After you install the Microsoft Authenticator app on your device, choose 'Next'." There is a blue "Next" button on the right. At the bottom of the central area, there is a link: "[I want to use a different authenticator app](#)". Below the central area, there is a separate link: "[I want to set up a different method](#)".

6. If you opted to download the “Microsoft Authenticator App”, here are the steps:

- I. On your phone, go to the App Store (for iPhone) or Google Play Store (for Android). Search for Microsoft Authenticator app. Download and open the app.

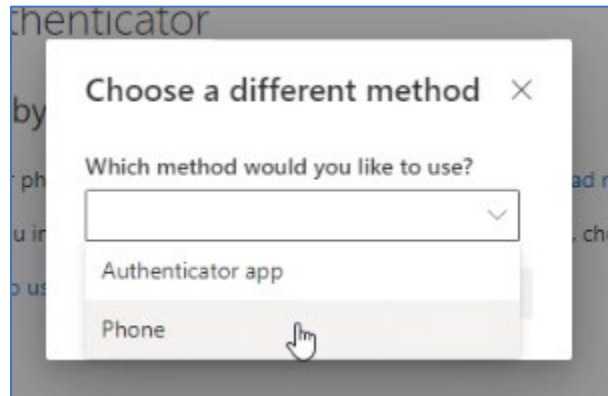

- II. Click “Next”

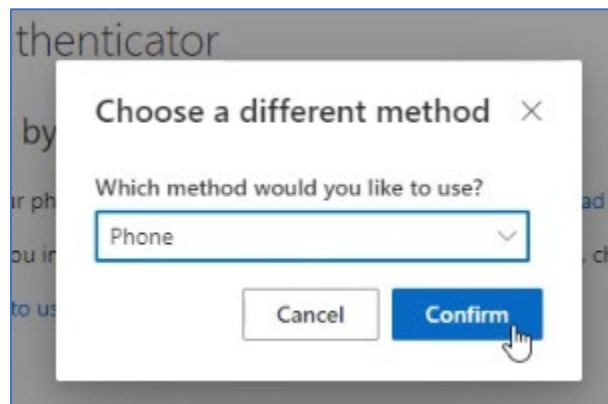

- III. Follow the instructions on screen and verify your identity using the Microsoft Authenticator app.

7. If you selected “I want to set up a different method”, you will be prompted to select a method from a drop-down menu. Select “Phone”.

8. Select “Confirm”

9. Select "Canada (+1)" from the drop-down list. Enter your cell phone number including the area code in the "Enter phone number" field. Select the "Text me a code" option.

10. Enter the verification code you received on your cellphone and click 'Next'.

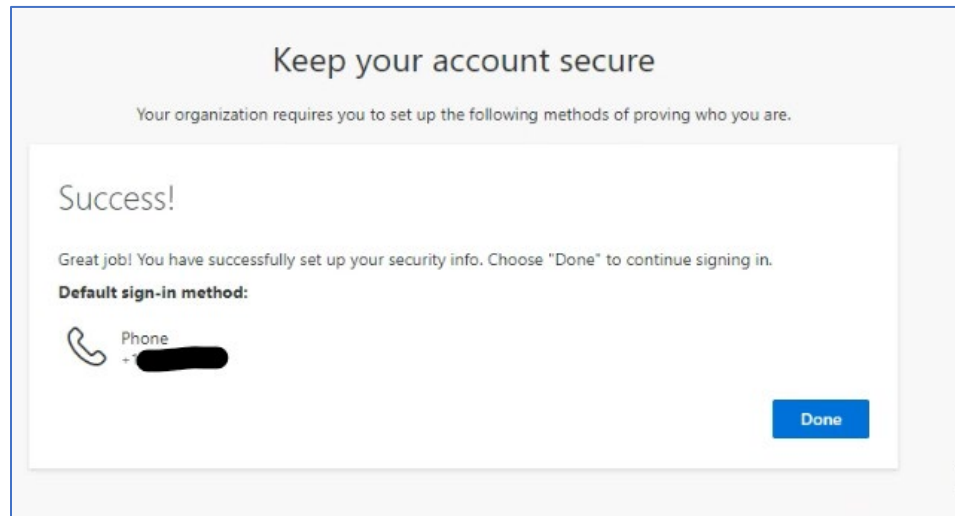

The screenshot shows a web page with the following elements:

- Section Header:** "Keep your account secure" in a large, dark font.
- Instructional Text:** "Your organization requires you to set up the following methods of proving who you are."
- Section Header:** "Phone" in a large, dark font.
- Text:** "We just sent a 6 digit code to +1 [REDACTED] Enter the code below." The phone number is partially obscured by a black redaction box.
- Input Field:** A text box with the placeholder text "Enter code" and a horizontal line below it.
- Link:** A blue link labeled "Resend code" located below the input field.
- Buttons:** Two buttons at the bottom right: "Back" (active, outlined) and "Next" (disabled, greyed out).
- Footer Link:** A link at the bottom left that reads "I want to set up a different method".

11. You will receive a message that “Your phone was registered successfully.” Select Next.

12. Select Done on the “Success!” Screen:

13. Once verification is successful, **School Board Financial Reports** site home page will be displayed.

The screenshot shows the SharePoint site home page for 'School Board Financial Reports'. The page has a purple header with the 'SB' logo and the site title. A left-hand navigation pane contains links for 'Home', 'Documents', 'Financial Submission Log', and 'Recycle bin'. The main content area features a heading 'School Board Financial Reports' followed by a paragraph explaining the purpose of the site and providing links for 'ministry financial analysts' and 'ministry finance officers'. On the right side, there is a 'Documents' section with an 'Export to Excel' button, a filter menu for 'All Documents', and a table listing a folder named 'Algoma District School Board' with a modification date of 'July 21'.
