Dear Ms.:

This letter acknowledges receipt of your application for permanent resident status in Canada.

It has been determined that you meet the eligibility requirements to apply for permanent resident status as a member of the live-in caregiver class. However, a final decision will not be made until all remaining requirements for becoming a permanent resident have been met. If applicable, all of your family members, both in Canada and abroad, must pass medical and background checks. Even if your family members abroad are not applying to join you in Canada at this time, they must pass medical and background checks. You cannot become a permanent resident until you and your family members have passed medical and background checks.

If you are not already in possession of an open work permit and you wish to work elsewhere, or do not possess a valid study permit and wish to attend school for more than six months, you may apply for either or both. If you wish to apply for a study permit, be sure to include a letter from the educational institution you plan to attend. The letter should outline the type of course or program you are registered for, the start date and the expected completion date. Please contact an Immigration Call Centre in your area and request an application kit.

The client number shown in the upper right corner of this letter is your personal identification number. This number provides access to information on your file and, as such, for your own protection, you should not allow any other person to use this number. If sending correspondence to Citizenship and Immigration Canada, please include your personal identification number. Failure to include this number could result in the return of your correspondence unanswered.

If you require further assistance, please telephone your local Call Centre at the number indicated below and be prepared to quote your client number and your date of birth. General information and application kits may also be obtained through our Web site at <http://www.cic.gc.ca>.
