SUBJECT: Application for Approval of CTCC Education
Programs for Children and Youth in Government
Approved Care and/or Treatment, Custody or
Correctional (CTCC) Facilities (CTCC Amount)

We are pleased to provide you with information on the application and approval process for Education Programs in Care and/or Treatment, Custody and Correctional (CTCC) Facilities for the 2019-20 school year. The Ministry is inviting school boards to submit applications to renew existing CTCC programs. The Ministry will not be accepting applications for new and/or expanded programs in 2019-20.

School boards are provided with revised *Guidelines for Children and Youth in Government Approved Care and/or Treatment, Custody and Correctional (CTCC) Facilities 2019-20* (Guidelines). The Guidelines set out expectations regarding the delivery of CTCC Education Programs as well as expectations in areas such as funding, information management and reporting, personal information of children and youth and confidentiality. Application forms have also been revised in order to provide the Ministry with more information about the types of need the program serves.

The Ministry continues to collect elemental student achievement data from CTCC Facilities offering secondary courses. The data provides an evidence base to enhance CTCC programs and the success of children and youth attending education programs in CTCC Facilities.
