

SCHEDULE 70: Consolidated Financial Position

General Information

This schedule reports financial assets, liabilities, non-financial assets, and the accumulated surplus.

Report the assets and liabilities of the revenue fund, capital fund, obligatory reserves/deferred revenue, discretionary reserve funds and reserve funds of the municipality and all the consolidated local boards that make up the reporting entity as defined in PS 1300 of the PSAB Handbook.

Report all municipal investments in government business enterprises using the modified equity basis of accounting, as set out in PS 1300, paragraphs .28 to .36 of the PSAB Handbook.

All inter fund receivables and liabilities are to be eliminated. The exception is a long-term loan from own reserve funds. These loans should be reported on Schedule 70 line 2610 column 1.

Assets are divided into financial assets (cash and temporary investments, accounts receivable, taxes receivable, other financial assets) and non-financial assets.

Liabilities are categorized as temporary loans, accounts payable and accrued liabilities, deferred revenue, long term liabilities, tangible capital lease, solid waste management facility liabilities, post-employment benefits, and liability for contaminated sites.

The accumulated surplus/(deficit) is divided into equity in tangible capital assets (TCA), reserve and reserve funds, general surplus/(deficit), equity in government business enterprises, and unfunded liabilities (post-employment benefits and landfill post closure costs).
